

Daniel Boone Transit Accessibility

Daniel Boone Transit is committed to serving persons with disabilities. We back the commitment by providing services and make public transportation both easy and pleasant for persons with disabilities.

Daniel Boone Transit will make reasonable modifications/accommodations to its operating policies, practices, and procedures to ensure program accessibility. The nature of an individual's disability will not preclude Daniel Boone Transit from providing full access to its services.

Some exceptions apply. These exceptions include when the modification or accommodations would:

- Cause a direct threat to the health and safety of others.
- Result in a fundamental alteration of the service.
- Is not actually necessary in order for the individual with the disability to access the service.
- Results in an undue financial and administrative burden for DBT.

Executive Director, Robin Whitaker, is responsible for making reasonable modification determinations. If you would like to request a reasonable modification prior to utilizing that service, you may do so by contacting Whitney Arnett, Personnel Officer at (606) 366-7433 or email at Whitney.Arnett@danielboonecaaa.org

You should provide:

- Name
- Contact information (for example, phone number or email address)
- Service and/or location
- Specific details or modification or accommodation request.
