Weatherization

The Weatherization Assistance Program provides free home improvements to eligible homeowners & renters to reduce their energy costs and ensure health & safety. Energy audits by trained professionals determine the most cost-effective measures for each home service.

Services May Include:

- Repair or replace heating systems.
- Insulate attics, walls, floors, water heaters, and duct work.
- Sealing air leaks around windows, doors, and other areas.
- Perform health & safety checks.
- Install smoke and carbon monoxide detectors.
- Performing incidental repairs to ensure weatherization measures are effective.

This project is funded, in part, under a contract with Community Action Kentucky and Kentucky Housing Corporation, with funds allocated by Kentucky Housing Corporation through the U.S. Department of Energy and the Department of Health and Human Services.
